TODAY'S MEETING

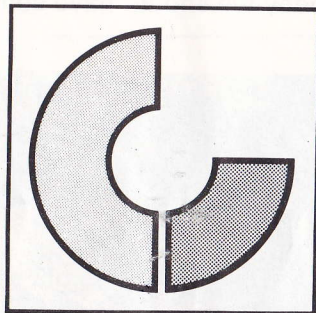

We once again welcome and thank Ford Credit as our meeting sponsor and look forward to the two very well supported Fiesta races.

Russell Paterson sponsor Clarendon Services are sponsoring the first race in which Russell will be vying for honours with Hamish Ogilvie in the road sports cars.

With 31 Fiesta cars entered we run the slowest 20 from practice in event 2 and the fastest 11 are in event 5 at the front of the grid – the balance of the grid for event 5 will be made up from the 9 leaders in event 2. Ford Credit Fiesta championship points will only be scored in event 5 and with 5 of the top 6 in that championship, which is now at its half-way mark, in our entry list today we should have some exciting racing.

FF1600 Junior Championship leader Ewan Buchan.

FF2000 sees the continuing battle between Stewart Roden and Tom Brown back within a point of each other in the championship and Cameron Binnie some 10 points behind them.

Hugh Chalmers has the Ecurie Ecosse Manta out in the over-1600 Road Saloon race and it will be interesting to see how the other two Mantas in the race will fare against it.

The FF1600 has dropped due to holidays and only one race is being run today counting for the senior Scottish championship and we have all the front runners entered today.

Close racing is hoped for in the small road saloon race and our meeting sponsors should be pleased to see half the field driving Ford cars.

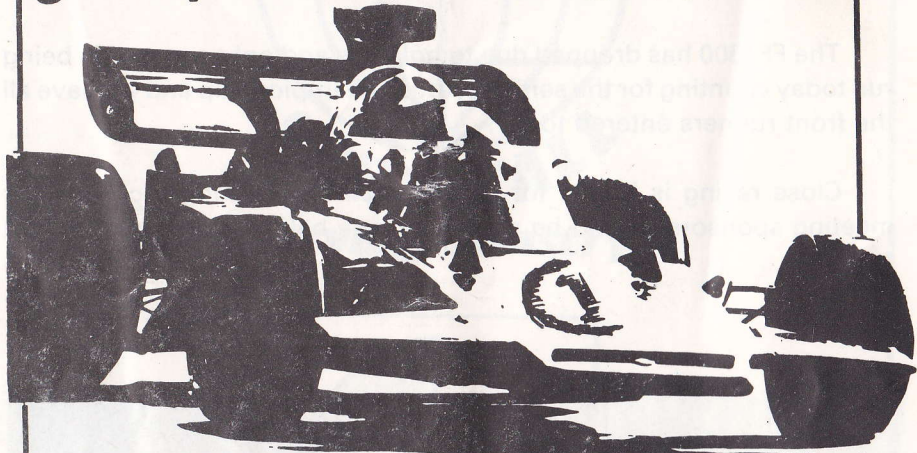

The Ecosse Manta in its usual place, at the front of the field.

The Historic series is growing and today sees the largest entry list to date. The handicap is based upon practice times and is calculated so that all cars should cross the finishing line at about the same time if practice times are held to. There is an award to the driver whose fastest race lap time is closest to his fastest practice time.

The GT race again sponsored this year by Sports-Tune has a wider field than that seen so far this year and a close situation at the top of the championship should ensure good sport.

The sports clubman race has a few new entries with the FES Thundersport car and Nick Bridge with another Vision.

The McLaren Homes (part of McLaren Group) Scottish Modified Car championship is good support for this growing class and it is interesting to see how the road cars on racing tyres shape up against the more modified cars only entered in this event.
